Resumé tips

- Ask someone you trust to proofread your resumé before using it.
- Check for spelling and punctuation errors multiple times.
- Check to make sure all dates are correct for experience and education.
- Adjust your resumé to address the specific opportunity that you are applying for. List skills and professional accomplishments that are related to the opportunity you are applying for.
- Ensure that your contact information is up to date.
- Ensure that the entire document is a consistent font size and font type.
- Use a professional email address.
