

# Math & English Placement Assessment Checklist

NMSU-A wants you to be prepared for your placement assessments. Here are a few tips for preparation.

- ☐ Complete math practice problems before your assessment. See page two of this packet.
- ☐ Make sure you have a pencil and blank sheet of paper during the assessment for problem-solving.
- ☐ If you are taking a math assessment, make sure you have a calculator. The Academic Support Center will provide a calculator if you ask for one.
- ☐ Complete English practice questions before your assessment. See page three of this packet.
- ☐ Take your time. Your assessment is not timed.

Remember that there is no pass or fail on the placement assessments. Do your best so your advisor can place you in the courses that are right for you.
