Vote on NMSU-A Local GO Bond
General Election, November 7, 2023
Capital Improvement and Maintenance

Bond Question
"Shall the Advisory Board of the New Mexico State University Alamogordo Branch Community College District, be authorized to issue up to $15,000,000 of general obligation bonds for the purpose of erecting, furnishing, constructing, purchasing, remodeling and equipping buildings and utility facilities, exclusive of stadiums; making other real property improvements; purchasing grounds; and purchasing and installing computer hardware and software; or any combination of these purposes?"

Capital projects will invest in the community by providing modern infrastructure to support current and future programs, meet local business needs and inspire students.
Growing Otero County’s Workforce Since 1958

Serving the Otero County Community with Career and Technology Programs, Transfer Associate Degrees, and Continuing Education. Popular programs include Allied Health/Pre-Nursing, Business, Criminal Justice, Engineering Technology, Automotive Technology and Welding. We offer fully online, face-to-face and hybrid courses and programs.

Capital Improvements

**Classroom Building** – Construction of new, modern classroom building to replace 55-year old building.

**Allied Health Building** – Modernization of laboratories and equipment to support current and new programs.

**Automotive and Welding** – Additional stations, improved ventilation and HVAC.

**Tays Event Center** – New gym floor, renovated bleachers, new HVAC.

**HVAC Upgrades** – Replace end-of-lifetime HVAC across campus.

- Since 2008, NMSU-A has issued voter authorized bonds to maintain facilities with the most recent authorization being fully paid in August, 2023.
- NMSU-A is requesting that local voters authorize $15 million for capital improvements to support current and future students.
- Approving the continuation of this mill levy will ONLY increase the current tax rate by $0.45.

**NMSU-A Demographics**
