

Math & English Placement Assessment Checklist

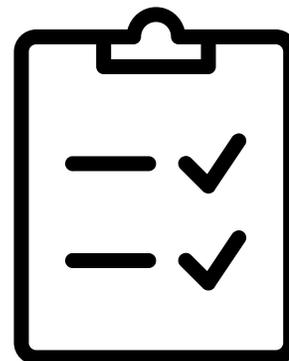

NMSU-A wants you to be prepared for your placement assessments. Here are a few tips for preparation.

- Complete math practice problems before your assessment. See page two of this packet.
- If you are taking a math assessment, make sure you have a calculator. The Academic Support Center will provide a calculator if you ask for one.
- Make sure you have a pencil and blank sheet of paper during the assessment for problem-solving.
- Complete English Practice questions before your assessment. See page three of this packet.
- Take your time. Your assessment is not timed.

Remember that **there is no pass or fail** on the placement assessments. Do your best so your advisor can place you in the courses that are right for you.
