Office of Veterans Programs: Chapter 31 Student Responsibilities

As a recipient of VA educational benefits, I acknowledge that:

1. I understand that Financial Aid and Veterans Affairs are two different sources of funding with two different regulations governing the programs. I must follow both regulations if I choose to use Financial Aid and VA benefits at the same time.
2. I must submit official transcripts to the NMSU Admissions Office from previous educational institutions previously attended, including military transcripts.
3. For each semester that I wish to utilize my VA education benefits, I must submit an NMSU Student Account Billing Statement to the Veterans Program Office, located in the Student Services Building, by emailing it to: veteransnmsua@nmsu.edu.
4. Only courses that satisfy requirements outlined by the curriculum guide or graduation evaluation form can be certified for VA purposes.
5. I am required to have a degree plan signed by my academic advisor. Periodically, updated degree checks may be requested. I will not be certified without a degree check.
6. If I go on Academic Warning, Probation 1, or Probation 2, a permanent hold will be placed on my account until I am back in good standing. I must report to the academic advisor to sign an academic contract. I will provide the Veterans Programs office a copy of the signed academic contract.
7. I must notify the Office of Veterans Programs if I change my courses or if I dis-enroll from the institution.
8. I understand that I must conduct myself in a professional manner at all times while attending this campus; if any disciplinary action is taken against me I will provide documentation of the action taken to the Veterans Programs.
9. A hold will be placed on my account after I am certified. If I wish to make any changes after the census date, I must email the Veterans Programs at veteransnmsua@nmsu.edu from mynmsu email requesting for the hold to be lifted.
10. Any debt that is created from adding and dropping classes is my responsibility and not the responsibility of the institution.
11. I must submit a signed bookstore receipt to the Veterans Programs office.
12. I must meet with the Vocational Rehabilitation counselor each semester during their supervisory visits.
