

Federal Tuition Assistance (TA)

Federal Tuition Assistance (TA) is a benefit paid to eligible members of the Air Force, Army, Coast Guard, Marines, and Navy. **The Department of Defense (DOD) has given each service the ability to pay up to \$250 per semester credit hour of the actual cost of tuition (no fees) during the fiscal year (1 October – 30 September).** TA is authorized for one certificate or diploma. Service members cannot use TA for a second equivalent or lower degree, i.e., no second bachelor's or master's degree. TA is paid directly to the school by the individual services.

Each service has its own criteria for eligibility, obligated service, application process' and restrictions.

Prior to enrolling, speak with your military service or Educational Services Officer (ESO) to ensure you make an informed decision.
